

5th Annual Little Luggies

600

What: The 2016 Bojangles' Summer Shootout Series would like to present our youngest fans with the chance to race their own vehicles on the famous ¼ mile track at Charlotte Motor Speedway. The first 40 kids between the ages of 4-7, whose parents RSVP, will have a chance to race their own Power Wheel against their peers to be crowned the champion of the Little Luggies 600! This is the most thrilling race that Charlotte Motor Speedway has ever seen at 5mph!

When: Tuesday, July 19th: Check-in 4:30PM-6:30PM - Estimated Green Flag at 7:15PM

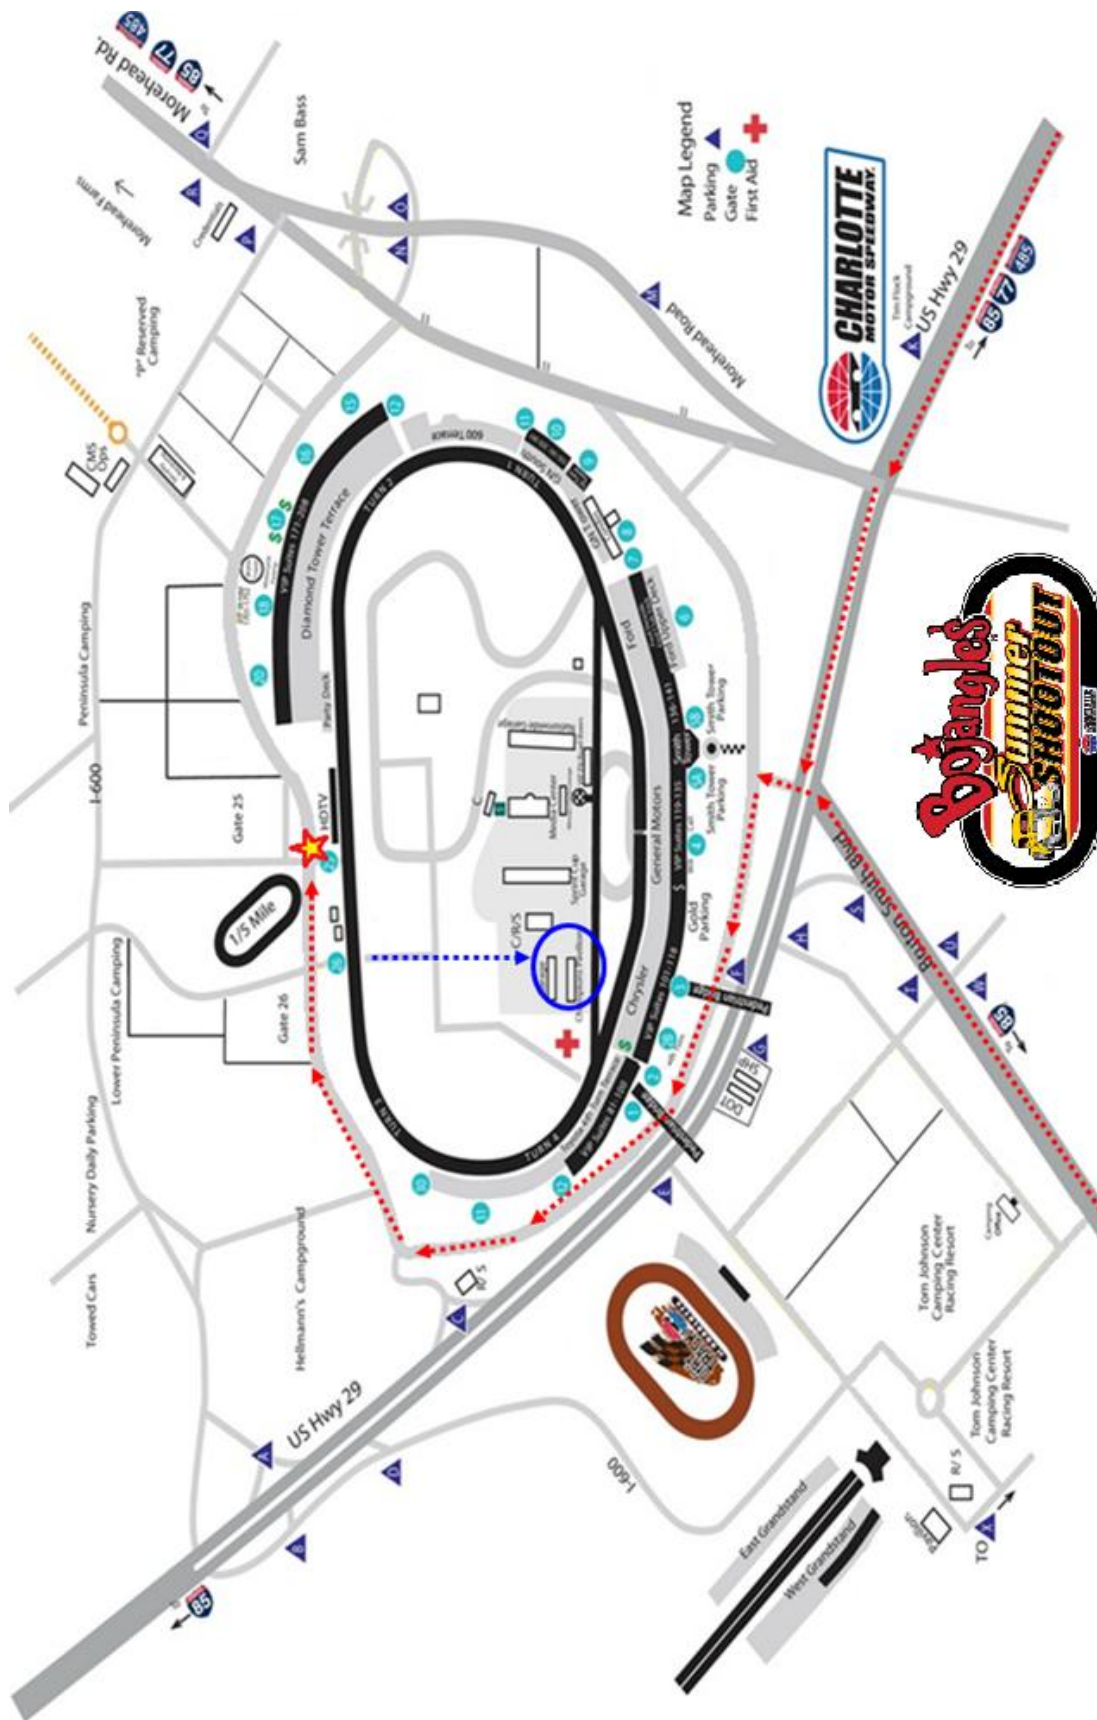

Where: Each child can have two "crew members" present with them in the infield to prepare for the race. Please check-in at Gate 25 behind the mega Speedway TV to get your infield credentials, draw your starting number, and get the matching number decal before proceeding to the pits as a group. The pits are located at the Modified Garage straight inside the Gate 26 tunnel and please place your decal on the hood of the power wheel at that time before loading them onto the transporter truck.

Rules: Kids must be between 4-7
